Dear Church,

Last year was an amazing year at Summit Park Church! It was a challenging year, to say the least, but God went before us in some incredible ways in 2020. The best part is that when the world seemed to come to a screeching halt, the Kingdom of God still advanced and hundreds of people found new life in Jesus in 2020! We fully believe that God wants to do even more in 2021.

Every number in this Annual Report represents life change. Your generosity and involvement at Summit Park is advancing the Kingdom of God forward. We are so grateful for the part you played in 2020 and continue to play in 2021 as we help people find and follow Jesus!

God Bless!

DECISIONS FOR CHRIST

“ I came to Jesus through my stepdad Jeremy. My mom started attending Summit Park with him over a year ago. I started to attend with them and found my way to God. I got baptized at Summit Park on the same day as my mom. Watching her and Jeremy serve at church, and how much it makes them happy, I am excited to start serving as well! ”

LIFE CHANGE

“ A year and a half ago my marriage was broken and our family was torn apart. We were separated and I was in the darkest place of my life. I decided I would go to church one time. I came, and the message was written for me. It brought me so much joy and peace to know that Jesus loves me no matter what. I went straight to my husband after church and invited him. He came to church and it changed his life. We just kept coming and it has made all the difference in the world. We've now both been baptized and serve together. Our marriage is restored, and we know that living for ourselves was not the answer, putting Jesus first was. ”

LIFE GROUPS

LIFE CHANGE

“We immediately felt at home at Summit Park and quickly got plugged into a Life Group. It was incredible being able to lean on each other, support each other and share life together. We started making so many friends. It was awesome to go to church on Sundays, walk through the doors and have so many people to say hi to! It was neat to see my wife, who was always quiet, grow to lead a life group and how that has impacted so many people's lives. Every time we go to group we are so glad we took the time. We are now in four life groups is an understatement it's been life changing.”

LIFE TEAMS

“Originally I started serving at Summit Park so that I could give back. But, soon after joining, I started to form friendships and have a prayer community... something I had never had outside of my family before. Then COVID happened and that was a very hard time for me. I had no one else except my kids. I was already struggling with feeling alone in this world, now I felt like a shadow of a human. But then we came back to church and I jumped at the chance to serve again. Every

week I served I felt closer and closer to being human again. This has been the biggest blessing of all. Now I'm not just around “people,” but friends. It is beyond finding a purpose and friends; I have found my home. My personal relationship with God has never been better and that would never have happened had I not found a family on these teams. I AM FINALLY HOME!
